If the Parents provide misleading information or fail to disclose information about the Student to the School, such that the School has to change or modify the level of Tuition or Accommodation required by the Student, the School may charge the Parents such fees as required to adequately compensate for such extra requirements. For avoidance of doubt, the obligation to disclose information continues during the term of this Agreement and the Parents must notify the School of any changing conditions in relation to the Student.

case, a breach by the Student of the Accommodation Agreement or of the Designated Caregiver Agreement will be considered to be a breach of this Agreement.

25. Except in the circumstances described in clause 24, this agreement is considered to be written agreement of the Parents for any activity organised and/or supervised by the School, including trips and physical activities, regardless of whether agreement is sought from domestic students in relation to the same activity.
26. Unless otherwise agreed in writing by the parties, this Agreement is considered to be written agreement for leisure travel or stays organised and supervised by the Student's Residential Caregiver where the travel is within New Zealand for a period of not more than seven days and does not result in the Student missing any scheduled school days.

Code of Conduct

(Schedule One)

School Rules and Conditions of Enrolment for International Students

Burnside High School, like all schools, has rules which students need to follow. Rules with particular relevance to international students are listed below so there is less chance of any misunderstanding of what students are expected to do and not to do. Some of the rules are based on the national and local laws of the land; others are set up by Burnside High School. All rules are for the welfare, care and protection of the students. Failure to comply with the following rules and requirements may lead to disciplinary action.

Accommodation

This agreement is subject to the Student being placed in accommodation that is approved by the School. The School will make every reasonable attempt to provide approved accommodation for the Student and the Student agrees to comply with all expectations and conditions for living in School approved accommodation.

- International students are required to reside in a homestay residence approved by the school, irrespective of age.
- Permission for alternative arrangements can only be given on receipt of a Designated Caregiver document signed by the student's parents, stating that the parents take full responsibility for the placement of the student with another family member or close family friend.
- If you are a parent living with your child you **MUST** inform the school if you leave the country at any time so we can agree to alternative arrangement for your child while you are away.
- Students are required to inform the school of any changes in circumstances of their parents, such as a change of address.

Attendance

Students are to attend all classes on time including form times and assemblies. A doctor's certificate is required for any absence longer than three days or if the student misses an NCEA examination. Absence for any other reason must be approved by the International Student Director.

Curfews

During the week (Sunday - Thursday) all students are expected to be home by 6.00 pm, unless they are participating in a sports club, music group etc. In the weekends (Friday and Saturday nights) students must follow the homestay curfew rules, which will be discussed on their arrival in the home. Students must have a mobile phone and have contact with their homestay family when they are out.

Driving

Burnside High School does not allow international students to drive or own a car, motorbike or scooter while they are enrolled at the school. Parents may apply in writing to the International Student Director for exceptions to this rule.

Drugs

Burnside High School has a zero tolerance policy for illegal drugs. Students found to be using or in possession of illegal drugs will be disciplined in accordance with Disciplinary Policy – Schedule Two.

General Conduct

Students are expected to conduct themselves in a sensible and responsible manner while studying at Burnside High School and:

- show respect, care, concern, and consideration for others.
- show respect for school property, and the property of other students.

Serious misbehaviour includes; bullying, theft, violence, deliberate absenteeism, offensive language, racist remarks, and sexual harassment.

Homestay

Any rules of the homestay family are to be respected and obeyed. The student is expected to be polite, courteous and respectful in their homestays. Students are expected to keep their room tidy and help with general chores in their homestay (eg: clearing the table after dinner). The student is expected to be home for all evening meals and will not stay away from the home unless they have permission from their host parents.

Insurance and Liability

- Burnside High School shall not be liable for any loss or damage to property.
- Burnside High School reserves the right to place a student in the most appropriate level / course of study and to change the course of study of any student if it is deemed to be in the best interest of the student.

- Burnside High School reserves the right to decline any student enrolment to the School, without explanation, at the discretion of the Principal.
- The Principal of the school has the authority to provide consents that may be necessary on the student's behalf in the event of a medical emergency where the school is not able to contact the parents.

Internet and Email

Students must comply with the school and their homestay rules on internet and email use. They must use the Network in a responsible way and observe all restrictions. Students will be held accountable for their own actions when using the internet at school and in their homestay. In New Zealand, it is illegal to download movies or music using Peer to Peer Protocols.

Leave and Holidays

Students must attend school during term time and arrive before first day of school in Term One. If a student is returning to their home country during the year they are expected to do so within the allocated school holiday times. We do not recommend a return to the home country in the short school holidays. If a student returns home during term time the absence is "unjustified" therefore will impact on their attendance statistics.

Photographs and Marketing Material

As a parent I grant permission for the school to take photographs of my child during school activities and that the school may use those photographs on the Burnside High School website, international newsletters and school newsletters as well as in marketing material for the school.

Smoking and Alcohol

Smoking and drinking alcohol is not permitted for Burnside High School International Students. Disciplinary action may be taken if any student is found in possession of cigarettes or alcohol.

Subject Choices and English Level

In some cases it is not possible to gain entry to your first choice of subjects as classes may be full - particularly if you arrive mid-year. However, staff at Burnside High School will do their best to ensure you have a course which is suitable to you and your level of achievement. English language testing will be done on arrival and students will be placed in the appropriate English class for their ability. If a student's English level is not high enough to be placed in mainstream classes, they will be placed in the Intensive ESOL class until their English is at the required level. There is no extra cost for this class. All subject placements are at the discretion of the school.

Travel within New Zealand

International Students are encouraged to travel within New Zealand during holiday time:

- with their host family
- with school organised groups
- with trips organised by a school approved travel company
- with their parents, guardians or agents

Students are NOT permitted to travel alone, with other students or without school approval. Independent travel is not permitted.

Work

Students in Year 13 are able to apply for a Variation of Conditions to their Student Visa to enable them to work for up to 20 hours per week. Permission may be granted by the International Student Director and written permission must be received from the student's parents. Permission to work will ONLY be given by the school if the student's academic progress is satisfactory.

Burnside High School has agreed to observe and be bound by the Code of Practice for the Pastoral Care of International Students published by the Ministry of Education. Copies of the Code are available on request from this institution or from the New Zealand Qualifications Authority website at www.nzqa.govt.nz

Disciplinary Policy

(Schedule Two)

The following is the School's current disciplinary policy for dealing with breaches of the Agreement. This is not intended to restrict the School's general power of discipline and this policy may be changed from time to time at the discretion of the School.

Overview

1. Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not call for any formal response other than a warning, the School will try, where appropriate, to follow a two-stage disciplinary process.
2. In Stage One, the School will investigate and decide the facts, and will reach a conclusion on what happened and whether it amounts to a breach of the Agreement.
3. In Stage Two, if the School has determined that a breach has occurred, the School will consider the appropriate response to that breach, up to and including termination of the Agreement.
4. The Student will have an opportunity to provide a response to the alleged breach that the School is investigating (**the Allegation**) and any proposed disciplinary action that the School is considering taking (**the Proposed Action**).
5. This policy does not limit the School's power to take appropriate disciplinary action urgently and without following this process if this is necessary having regard to the seriousness of the breach.
6. This policy also does not limit the School's power to suspend the student for the duration of the disciplinary process where suspension is considered necessary for the safety or education of any person.

General Policy

7. When the School is conducting a disciplinary process involving the Student it will aim to provide the Student with the following:
 - (a) a written summary of the Allegation or the Proposed Action;
 - (b) an opportunity to respond to the Allegation or the Proposed Action, either in person or in writing or both, at the choice of the Student;
 - (c) an opportunity to consider the Allegation or the Proposed Action for a reasonable period of time (keeping in mind the seriousness of the Allegation or the Proposed Action) before giving a response;
 - (d) an opportunity to contact his or her Parent before giving a response, unless the delay caused by contacting that person is unreasonable keeping in mind the seriousness of the Allegation or Proposed Action;
 - (e) an opportunity to have an independent support person of his or her choice present at any meeting relating to the disciplinary process;
 - (f) an opportunity to meet with that support person in private at any stage during the disciplinary process;
 - (g) an opportunity to have a translator present (or otherwise enable the student to participate in the process in his or her own language) during any meeting or process if the School or the Student considers that a language barrier means that a translator is required; and
 - (h) a copy of this policy setting out the rights which the Student has when engaging in the disciplinary process.

Disciplinary Procedure

Stage One: Incident Investigation

8. When the School learns of any incident or any other thing that may be a breach of the Agreement or might otherwise require a disciplinary response, the School will notify the Student of the Allegation and will provide the Student with an opportunity to give a response.
9. Where appropriate, keeping in mind the seriousness of the Allegation, the Student will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the Allegation.

10. When the School makes a decision about the Allegation it will inform the Student and parent, in writing if possible, about its conclusion as to what happened and whether it amounts to a breach of the Agreement.

Stage Two: Outcome Discussion

11. If the School determines that a breach of the Agreement has occurred, it will inform the Student and parent of the possible disciplinary actions that it will consider taking in response to the breach and will provide the Student and parents with an opportunity to give a response.
12. Where appropriate, keeping in mind the seriousness of the breach, the Student and parent will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before deciding the disciplinary action to be taken.
13. When the School decides the disciplinary action that it will take in response to the breach, it will inform the Student and parents of its decision, in writing if possible. The disciplinary action will not take effect, and no actions will be taken to put it into place, until the Student and parents have been informed of the decision.
