Specifics

Uniform

Ormiston Senior College has a smart yet comfortable uniform which must be worn correctly at school every day. This uniform must also be worn in the street to and from school.

Attendance

Regular attendance to school and to every class is compulsory at Ormiston Senior College. There is a café on site which serves food throughout the day and students are not permitted to leave the school during the day. There are exceptions for Year 13 students if they have a study period at the start or end of the day.

If a student is unwell the caregiver should contact the school and inform them of the student's absence.

We expect punctuality to all classes. Classes start promptly at 8:50am and students are expected to be at school at least 10 minutes before this in order to be in class on time and ready to learn.

Device Use

Students are encouraged to bring their own laptops to school as these are used every day for learning purposes. We have strict guidelines pertaining to use of devices including phones. When students enrol at the college they sign an agreement with the school agreeing to use technology in a safe and responsible way. Phones may be brought to school but are only to be used for learning purposes or for an emergency.

Ormiston Senior College accepts no responsibility for the loss of digital devices at school.

High expectations

In all areas of school life, we have high expectations for our students. This includes coming to school ready to learn, respectful behaviour in class, completion of learning tasks and meeting deadlines and checkpoints. We also encourage our international students to get involved in activities and sports outside the classroom.

At Homestay or Caregivers

Ormiston Senior College expects international students to respect their caregiver or homestay family's guidelines and have a positive and cooperative attitude in the home. Being respectful could include informing the family where you are going, who you are with and what time you will be home. It also means respecting and adhering to curfew times.

Homestay changes must be requested through the International Student Manager. Students must seek advice and support relating to any request to move to a new residential caregiver providing at least two weeks' notice.

You agree to notify the school of any changes to your residential caregiver(s) contact details including change of address, contact numbers or if there are changes to people residing in the home.

DISCIPLINARY POLICY

(Schedule Two)

1. The following is the School's current disciplinary policy for dealing with breaches of the Agreement. This is not intended to restrict the School's general power of discipline and this policy may be changed from time to time at the discretion of the School.

Overview

2. Except in serious situations where immediate termination of the Agreement is necessary, or where the breach does not warrant any formal response other than a warning, the School will endeavour, where appropriate, to follow a two-stage disciplinary process.
3. In Stage One, the School will investigate and determine the facts, and will reach a conclusion on what happened and whether it amounts to a breach of the Agreement.
4. In Stage Two, if the School has determined that a breach has occurred, the School will consider the appropriate response to that breach, up to and including termination of the Agreement.
5. The Student will have an opportunity to provide a response to the alleged breach that the School is investigating (**the Allegation**) and any proposed disciplinary action that the School is considering taking (**the Proposed Action**).
6. This policy does not limit the School's power to take appropriate disciplinary action urgently and without following this process if this is necessary having regard to the seriousness of the breach.
7. This policy also does not limit the School's power to suspend the student for the duration of the disciplinary process where suspension is considered necessary for the safety or education of any person.

General Policy

8. When the School is conducting a disciplinary process involving the Student it will endeavour to provide the Student with the following:
 - (a) a written summary of the Allegation or the Proposed Action;
 - (b) an opportunity to respond to the Allegation or the Proposed Action, either in person or in writing or both, at the choice of the Student;
 - (c) an opportunity to consider the Allegation or the Proposed Action for a reasonable period of time (having regard to the seriousness of the Allegation or the Proposed Action) before giving a response;
 - (d) an opportunity to contact his or her Parent before giving a response, unless the delay caused by contacting that person is unreasonable having regard to the seriousness of the Allegation or Proposed Action;
 - (e) an opportunity to have an independent support person of his or her choice present at any meeting relating to the disciplinary process;
 - (f) an opportunity to meet with that support person in private at any stage during the disciplinary process;
 - (g) an opportunity to have a translator present (or otherwise facilitate the student participating in the process in his or her own language) during any meeting or process if the School or the Student considers that a language barrier means that a translator is required; and
 - (h) a copy of this policy setting out the rights which the Student has when engaging in the disciplinary process.

Disciplinary Procedure

Stage One: Incident Investigation

9. When the School learns of any incident or any other thing that may be a breach of the Agreement or might otherwise warrant a disciplinary response, the School will notify the Student of the Allegation and will provide the Student with an opportunity to give a response.
10. Where appropriate, having regard to the seriousness of the Allegation, the Student will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the Allegation.
11. When the School makes a decision about the Allegation it will advise, the Student and parent, in writing if possible, about its conclusion as to what happened and whether it amounts to a breach of the Agreement.

Stage Two: Outcome Discussion

12. If the School determines that a breach of the Agreement has occurred, it will advise the Student and parent of the possible disciplinary actions that it will consider taking in response to the breach and will provide the Student and parents with an opportunity to give a response.
13. Where appropriate, having regard to the seriousness of the breach, the Student and parent will have the opportunity to respond either in person or in writing or both, at the choice of the Student. The School will receive this response and give it genuine consideration before making a decision about the disciplinary action to be taken.
14. When the School makes a decision about the disciplinary action that it will take in response to the breach it will advise the Student and parents of its decision, in writing if possible. The disciplinary action will not take effect, and no actions will be taken to put it into place, until the Student and parents have been advised of the decision.
